

Volunteer Needs List

Birthright of San Lorenzo, a nonprofit crisis pregnancy center, would love to have you be a part of the team! We are growing and need your help. There are many ways to be involved:

- Donate your time in the office, we can work with your schedule.
- Donate your talents, sew, organize, collect baby items, etc.

Last year we touched the lives of over 613 women. We will touch more this year!

Help us help others. We need you! Call Rosanne for information 510-481-9677. All our services are free and confidential. We offer counseling and positive aid as an alternative to abortion. We are located at 1048 Grant Ave, right across the street from Arroyo High School.

Please take the time to look at our "volunteer needs" list and contact us with questions.
